

**REMARKS**

**Statement of Substance of Interview**

As an initial matter, counsel would like to thank the Examiner for the courtesies extended during the telephone interview conducted March 25, 2008.

In the telephone interview with the Examiner, Claim 34 was discussed. Agreement was reached to insert the phrase --inside the reaction container-- after the word “portion” at line 4 of Claim 34. However, counsel did not agree to insert the word --inner-- after the word “sealing” at line 4 of Claim 34.

**Amendment under 37 C.F.R. § 1.312**

In the Supplemental Examiner’s Amendment dated April 10, 2008, Claim 34 has been amended to insert the word --inner-- before the word “before.” However, there is no word “before” in Claim 34.

In the Interview Summary, it was indicated that Claim 34 is to be amended to insert the word --inner-- after the word “sealing.”

Since it is unclear how Claim 34 has been amended by Examiner’s Amendment, Claim 34 has been cancelled in the present Amendment and new Claim 40 has been added. Claim 40 corresponds to Claim 34 amended as agreed by Applicants and the Examiner. Claims 35 and 37 have been amended to correct their dependency.

The changes being made are simply editorial in nature and no question of new matter or questions of further search arise.
